Canon l120 user manual

Service Manual

L100/L120 Series

Canon

Jun 6 2005

FAXL280 User Manual Before Using the Machine Document Handling Print Media Sending Faxes Receiving Faxes Copying Printing L120 only Maintenance Troubleshooting Machine Settings Appendix Please read this guide before operating this equipment. After you finish reading this guide, store it in a safe place for future reference. However, as we are constantly improving our products if you need an exact specification, please contact Canon. The machine illustration on the cover may differ slightly from your machine. Indicates a warning that may lead to death or serious injury if not WARNING observed. Paper delivery tray extension Extension for the paper output tray. Cartridge cover Open it when replacing the toner cartridge or removing jammed paper. Notch Used to open the cartridge cover. Operation panel Controls the machine. Handset cradle optional Cradle for the handset. USB port L120 only Connect the USB cable. Handset jack Connect the optional handset. External device jack Connect an external device if necessary. Line jack Connect the telephone cable. Displays messages and prompts during operation. Also displays selections, text, and numbers when specifying settings. Additional Mode button Accesses additional fax modes. Menu button Accesses the setting menu for customizing machine operations. OK button Confirms an operation or registers information you enter. Clear button Clears an entry in the LCD. Use a sharp object i.e., pen to select the ring volume of the handset. To purchase a new cartridge, contact your local authorized Canon dealer or the Canon help line. Do not open the drum protective shutter on the cartridge. Print quality may deteriorate if the drum surface is exposed to light or is damaged. Always hold the cartridge by its handle to avoid touching the drum protective shutter. Do not stand the toner cartridge on end, and do not turn it upside down. Note that the margin widths listed are approximate and there may be slight variations in actual use. <http://enerjimakine.com/tsrm1/img/userfiles/drive-hospital-bed-manual.xml>

Recommended Drivers File Name Date File Size Optional Drivers File Name Date File Size Recommended Software File Name Date File Size Optional Software File Name Date File Size Recommended Manuals File Name Date File Size Optional Manuals File Name Date File Size Warranty replacement shall not extend the original warranty period of the Product. Note that a dated proof of purchase is required at the time of service. This requirement will be satisfied by providing a copy of your dated bill of sale or invoice. You must contact an ASF during such ASFs normal business hours to schedule the repair. If shipping is involved, it is your responsibility to properly package and send the Product at your cost to the

ASF, together with your dated proof of purchase and a complete explanation of the problem. A Product covered by this limited warranty will be repaired and returned to you without charge by the ASF. Repairs not covered under this warranty will be charged to you at the then current service rates of the ASF. 2 EXCHANGE SERVICE A Canon Help Desk technician will attempt to diagnose the nature of the problem and, if possible, correct it over the telephone. If the problem cannot be corrected over the telephone, a Return Authorization Number RA will be issued to you.

<http://www.btrcontrols.com/images/bt-router-3-manual.pdf>

You will be asked for the Product serial number and other information pertaining to your defective Product and for a ship to location for the replacement Product street address only, no P.O. box. You must also provide your major credit card number. Your credit card will be charged in an amount up to the cost of a new Product a if your defective Product is not received by Canon USA within 10 business days after you receive the replacement Product, b if the defects in the defective Product are not covered by this limited warranty; or c if the warranty period on the Product has expired or has not been sufficiently established by you by supplying the appropriate documentation. The Canon Help Desk will ship out the replacement Product prepaid by Canon USA. After receipt of the replacement Product with instructions and a prepaid waybill, follow the instructions on how to ship the defective Product to Canon USA. You must return the defective Product in the shipping carton in which the replacement Product was packed, include the Return Authorization Number RA, a copy of your dated proof of purchase bill of sale, and a complete explanation of the problem. Canon USA does not guarantee next business day service in the event of the occurrence of factors beyond Canon USA's reasonable control. The replacement Product you receive will be a refurbished or reconditioned unit and will be covered for the balance of the period remaining on your original limited warranty. Repairs of such Canon brand peripheral equipment shall be governed by the terms of the Separate Warranty. Nor does this warranty extend to any Product on which the original identification marks or serial numbers have been defaced, removed, or altered. The warranty in the preceding sentence applies to Toner and Drums A defective Toner or Drum returned to Canon U.S.A., Inc., Canon Canada, Inc. or an Dealer. The warranty period for any Drum i.e. Canon USA, Inc., Canon Canada, Inc. or a Dealer. To obtain the shipping address of Canon U.S.

A, Inc. or Canon Canada, Inc., please call the Canon U.S.A., Inc. Help Desk at 18008284040 or Canon Canada Technical Support at 1800OKCANON. Shipping charges, if any, must be prepaid. If your Toner or Drum is covered by this Inc. or the Dealer from whom you purchased the Toner or Drum, Toner or Drum yield will vary depending on average density of originals copied and other Canon which damage the Toner or Drum or cause abnormally frequent service calls or service problems. Nor does Keep from contact with oxidizing materials. Refer to instructions for handling and storing. Scroll down to easily select items to add to your shopping cart for a faster, easier checkout.
